Mr. Joe Sanders, President  
Friends of the Oklawaha Greenway  
Hendersonville, NC

Dear Joe:

The Board of Directors of the Henderson County Chamber of Commerce is pleased to endorse the extension of the Oklawaha Greenway from Jackson Park to Blue Ridge Community College and Flat Rock Park. The Board voted to unanimously support the project at its September 19, 2016 Board meeting.

We appreciate and support your efforts to provide connectivity between Berkley Park, Patton Park, Jackson Park, Flat Rock Park and Blue Ridge Community College. These connections exponentially improve the recreational value of each facility. The connections also can serve as an alternative transportation corridor for community college students travelling to work or school.

Your work to expand our greenway system will also serve as an added amenity for visitors to Henderson County, strengthening our reputation as an outdoor recreation center. Tourism is one of our community's four main economic engines.

We look forward to your continued work to provide more value added connections to our growing greenway system.

Sincerely,
