Relay on the Greenway

To the editor: We recently held a Relay For Life fundraiser, Relay On the (Oklawaha) Greenway, on St. Patrick's Day to benefit American Cancer Society research. The event entailed a leisurely "amble & ramble" along the scenic Oklawaha Greenway. We had beautiful weather and a good turnout!

Both Hendersonville Fun Friends and the Hendersonville Women's Club want to thank all who donated or participated in this event, as well as the local merchants and organizations who publicized this fundraiser (including the Times-News).

A special thank you goes to the city of Hendersonville and Henderson County, which developed and continually maintain and improve this treasured community resource and popular venue – the Oklawaha Greenway!
