To whom it may concern,

The Oklawaha Greenway is important to the Hendersonville Family YMCA. The YMCA strives to improve the overall health of the community and the Oklawaha Greenway plays a key role in helping us achieve this. The Greenway provides our community with a place for families to spend quality time together and reap the invaluable benefits of nature and exercise.

The proposed Greenway extension would positively impact our community by giving more people access to use it. The YMCA is pleased to have the Oklawaha Greenway in our community and supports its extension to Blue Ridge Community College.

Sincerely,

Joshua L. Simpson
