TO WHOM IT MAY CONCERN

The Bicycle Company is a small family owned bicycle shop in Hendersonville NC. We have been serving the community for over 20 years. We try to promote bicycling in every possible way, and are dedicated to help in any way possible.

In that regard, we totally support the Oklawaha Trail and any possible growth of the trail system. The possibility of extending the trail to Blue Ridge Community College or further would be outstanding.

Most of the people that bicycle (or are even thinking about cycling) want a safe place to ride. The Oklawaha Greenway provides just that, a safe place to ride your bicycle. Of course the trail isn't just for bicyclists; it is for joggers, dog walkers, bird watchers and anyone who loves being outside. Having more safe places to do these activities is a boon the the city and the county of Hendersonville.

The Bicycle Company fully supports the Oklawaha Trail and urges all citizens of Hendersonville to do the same.

Sincerely

Michael Robinson
