

The logo for Hendersonville FUN Friends is a red-bordered rectangle with a white center. The text "Hendersonville FUN Friends" is centered within the white area. "Hendersonville" is in a standard serif font, "FUN" is in a large, bold, black, stylized font, and "Friends" is in a smaller serif font below it.

**Hendersonville FUN
Friends**

To whom it may concern:

Hendersonville Fun Friends is a Meetup.com social group that is composed of 500+ members who enjoy the many and diverse activities in and around the Hendersonville area. Since the recent section of the Oklawaha Greenway was opened, many of our members enjoy our popular “Amble & Ramble” walks along the Greenway. Most of our group are senior citizens seeking low impact exercise, like a moderately paced group walk along the Greenway provides. We look forward to chatting with old and new friends while enjoying the fresh air and beautiful scenery, and incidentally getting some much needed exercise!

Hendersonville Fun Friends schedules our “Amble & Ramble” events three times a week – Mondays, Wednesdays, and Fridays. We meet at the Patton Park picnic pavilion at 10:00 and walk either toward Berkley Park or Jackson Park, and if the Greenway was extended from Jackson Park to the Blue Ridge Community College, I am sure that will prove to be a very popular route as well. This extension would benefit many members and their friends who do not live close to Patton Park. Our walks are sponsored by Hendersonville Fun Friends, but the public is always welcome to join us. Our group’s motto is “Building COMMUNITY one friend at a time” and I believe the extension of the Greenway to Blue Ridge Community College would further this goal!

Regards,

John Evers/Organizer, Hendersonville Fun Friends
